Iakwe,

On behalf of the People and Government of the Republic of the Marshall Islands, we wish to congratulate the United States of America on her 242th Independence Day! We look forward to many more years of continued support and friendship as we work to make the world a safer place for future generations.

A special recognition to the many Marshallese sons and daughters who serve or served in the US Armed Forces. We salute you and commend you on your part in making this world a truly safer place.

To our Marshallese citizens living here in the US, we wish you every success and hope you will continue to be active, contributing members of your new home here in the US.

Jerammon! God Bless America!
